

CAREPOINT™

Window Alarm Screen

Application

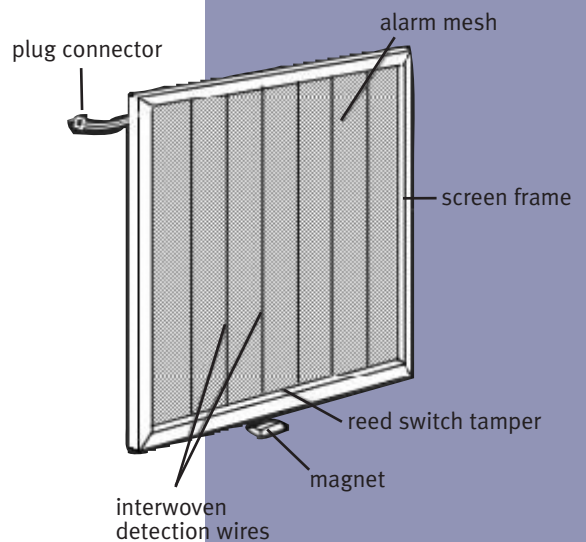

Keep residents secure whether windows are open or closed! While providing an effective barrier over the window opening, it still allows a free flow of light and air in to the room and leaves the view virtually unobstructed.

Features

- Alerts staff to intrusions or elopements.
- Special interwoven detection wires are nearly invisible and alert staff when cut.
- Tamper switch alerts staff when screen is removed.
- Custom built to match your architect's plans or existing screens.
- Supervised system alerts staff to loss of signal or low battery.

Specifications

Color:	Custom
Dimensions:	Custom
Battery:	3.6 VDC lithium
Average Battery Life:	Lithium: 5-7 years.
